**Joyce Malleck, Imperial, NE**  
Average Monthly Sales: \$7,500

*"I am Joyce Malleck and my husband, Ray, and I live in SW Nebraska in a small community by the name of Imperial, close to the Colorado State line. We love the rural way of living and the people that go along with it! Ray is an employee of the local Co-op and works on the farm on weekends and I have AP as my home-based business. We have four children plus spouses, eight grandchildren, and eight great grandchildren. We are truly blessed!*

*My motto is One God – One Family. I feel that with this, I can reach out to anyone and share our amazing Alison's Pantry products. I promote 'Shop Local and Support Our Small Businesses.'*

*The reason I started selling Alison's Pantry was because I was new to the community and wanted to meet people. With that being said, I have met some of the most wonderful people through selling and feel like they've become part of our lives. We share, we laugh, we cry and we truly find the best in each other when we take time to reach out while spending a few minutes during our time together. We watch the kids grow up in school and support their activities.*

*I have found getting to know my customers is the best way to sell the products. I'm always looking for products that will help benefit them at the best cost for their families.*

*I love the fact that my hours are flexible and it gives me more time to spend working for my personal goals that I set each month. I can't say enough about how much appreciation and recognition Alison's Pantry shows the Reps for their hard work and dedication, but yet, my biggest thanks go out to my customers who have gotten me in the top sales positions for this long!"*

# Become a Rep!

"I really don't even know where to begin with my journey with AP! I have three very active boys that play many sports. The quick, healthy meal options after busy game days or practice days that run long are AMAZING. I love being able to run my 'side gig' with AP from my phone! It takes just a few minutes each day, and only one day a month for delivery and order pickup. My AP commission money has paid for many tanks of gas, and sports fees for my kiddos. The first year I was a rep for Alison's Pantry I saved all that money and used it as a down payment to buy my first house! This has been an amazing opportunity for my family!"

 "We tried the chocolate and root beer flavored milks for the first time this month and we will be ordering again for sure. When I asked my 11-year-old son if he gave them one thumbs up or two thumbs up he replied, 'If I had 6 hands I'd give them 6 thumbs up!' I have to be honest, I was a little skeptical with it being shelf stable, but they are really good! I think the plain milk would be an excellent staple for people that use milk in recipes but don't really go through a lot of milk otherwise."

"I don't purchase chicken stock because it's costly. I make my own using Real Chicken Base from Custom Culinary (sold only to foodservice accounts and Alison's Pantry!) and add my own liquid! I prefer it over bouillon because it's made with real chicken and beef stock, and has less salt. You will save a lot of money when you make your own beef or chicken stock and you can adjust for the right amount of flavor in your homemade soups. I have consistently had a container of these bases in my refrigerator since the 1970's!"
