## From the Family

Hi everyone,

I hope you're all having a wonderful summer! I would like to thank everyone who participated in our most recent survey. We received some great feedback and now we're working to offer some products and pack sizes that were requested in those surveys. Starting on this catalog, 17 popular products will now be available in new smaller pack sizes! We've also begun to lower many prices of products to remain more competitive, while still offering personalized service through our team of Reps.

While I am writing this towards the end of April, you will probably be reading this in June. This summer will be a busy one for me. My new wife and I will have our wedding reception here in Utah in May. As you may or may not know, we actually got married earlier this year in Vietnam with her family who lives over there. So now we can celebrate with our family here in the States while the weather is nice. Vivian has been such a great blessing in my life. I look forward to having a family with her within the next few years. I know it'll never be soon enough for my mom though (haha). For now, she'll have to make do with our dog Dory. She's such a cute and smart dog!

I hope you all continue to enjoy the rest of your summer. Family is precious and I hope you all try to spend a little more time with the ones you love. Until next time...

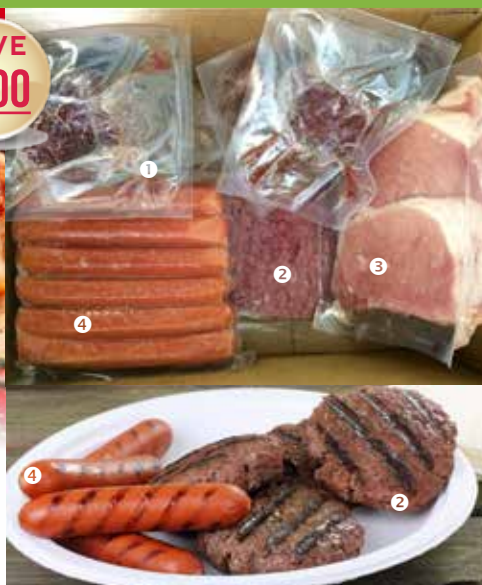

Sincerely,  
Jesse Kisse

"I lived in Ontario, Canada for 18 years, and we grew wild blueberries each season. I have now moved to North Dakota and miss those wild blueberries, so I tried Wyman's Blueberries (#1218). Wow! They are exactly the same size and have the same wonderful taste. I made a two crust pie for my husband and he was in awe how the pie tasted so much like his mother's!"
