 "We have used this snow cone maker now for going on almost 2 years. We love it! It's quick and it's easy to use. At my daughter's birthday party, children as young as 5 were making their own (with supervision), and it was used for hours that day without a glitch. We looked into renting a snow cone machine instead, but I'm so glad we went with this instead. A great price for a product we've been able to use over and over again."

"We LOVE the Pork Rib-lets! I thawed them in the refrigerator first for a day and a half then cooked them in my slow cooker with apple juice, onions and salt and pepper. After they were fully cooked, I brushed part of them with a doctored up barbecue sauce and we finished them on the grill. They were meaty and full of flavor. I froze the remaining Rib-lets in 2 bags so all we have to do now is thaw them and grill them. These are such a great buy."

 "We love to cook these on the grill in the summertime. We marinate them or grill them plain and then put BBQ sauce on them right at the end. "I lived in Ontario, Canada for 18 years, and we grew wild blueberries each season. I have now moved to North Dakota and miss those wild blueberries, so I tried Wyman's Blueberries (#1218). Wow! They are exactly the same size and have the same wonderful taste. I made a two crust pie for my husband and he was in awe how the pie tasted so much like his mother's!"

Downeast Smoothie

1 cup Wyman's frozen Wild Blueberries (#1218)
1 cup orange juice
1 banana
6-8 oz. plain or vanilla yogurt

Pour ingredients into blender. Cover and blend until smooth.

★★★★★

"I've always been a fan of wild blueberries, and Wyman's does not disappoint! I love that they are small but packed with flavor. I use them straight from the freezer in homemade muffins and pancakes. Because they're small, they heat through in the time it takes for a pancake to cook on the griddle. Yummy!"

CONVENIENCE

★★★★★
"Bosco Pizza Sticks are a family favorite. I love that my kids can make them up for an easy snack, and that I can also add a salad and serve them for a quick dinner! The only problem, is that my neighbor kids know I always have them on hand! They are the first thing that all the kids ask for when they come to play."
