FROM THE FAMILY

Greetings from Pleasant Grove, UT! Fall is officially here and can we all just agree that fall is the best season of the year? Not too hot; not too cold. . . .at least here in Utah it's amazing. We are very blessed to have all 4 seasons equally represented and it always feels like spring and fall are over in a minute. It's always a struggle for our kids to transition from those lazy summer days to waking early up and getting to school on time. This year we decided to stop constantly nagging the kids and try something different to make sure they are ready to leave on time and its working great so far. If you want to know what it is email me and I'll share it with you! josh@alisonspantry.com Danielle is still working at the school as a first grade teacher's assistant and doing a great job. William is in 1st grade and Mckayla is in 5th grade! I'm finally over the hill (40th birthday on Sept 6th) but feeling better than ever. Lots of hiking, biking, and looking forward to snowboarding in the winter. My step-sister had two beautiful twin babies; Margot and Liam- they are keeping her super busy. Mom and Howard are happily

helping with the grandkids and we're super grateful to them for their help. Overall we feel very blessed and are grateful we can be a small part of your lives. I host a Facebook live event every Thursday at 5:00 pm MST so if you're on at that time stop by and tell me what you're going to be doing this fall.

Sincerely,
Joshua Kisse

"Parker House Rolls are one of our Sunday staples! They never last long, I've also made monkey bread, sliders, cabbage rolls and bread sticks with them. I usually preheat the oven (and turn off), place rolls in oven to rise while at church and bake when we get home. Kids love them straight out of the oven."

"My daughter is gluten free and we love this soup/stroganoff mix. I use it in place of cream of mushroom soup in casseroles; anything you would use mushroom soup for. I just use about 1 tablespoon of cornstarch to thicken it. The taste is rich and creamy. Such a versatile product. I also love to throw about 1/4 cup in with potatoes, carrots, and roast in the crock pot. Delicious!"
